

TRANSPORT SOLUTIONS PROVIDER

**Reliable Transport,
Tailored for You.**

About Us

Neha Translink Pvt. Ltd. offers efficient transport services from Pune, providing both A/C and non-A/C cars and buses for hire. Our vehicles come with mobile phones, and our chauffeurs are disciplined, polite, UNIFORM, and trained to cater to personal needs.

We specialize in corporate fleet services with customized rates, offering both inter-city and intra-city bookings. Our reliable, well-trained drivers are educated and fluent in English, especially skilled in handling Mumbai pick-ups and drops for foreign clients. Vehicles are equipped with amenities like Bisleri water, newspapers, and first-aid kits.

Neha Translink serves many IT, BPO, and corporate companies, offering 24/7 transport solutions with flexible contracts and an experienced management team. We maintain strong industry connections, delivering reliable, cost-effective services to a wide range of clients.

We specialize in Mumbai pick-ups and drops, with vehicles and chauffeurs specifically assigned for this service. Our fleet includes all classes of vehicles, all in top condition, equipped with amenities such as Bisleri water, newspapers, and first-aid kits. Our chauffeurs are fluent in English, well-trained in etiquette, and experienced in handling foreign clients. Additionally, we offer local airport pick-up and drop services at competitive rates.

Mission and Vision

➔ Mission

We are committed to providing the leadership and support needed to ensure long-term growth and customer satisfaction for our world-class clients. We will passionately promote quality and service at every level, strengthening our company's competitive edge.

➔ Vision

Our goal is to lead the vehicle rental industry by prioritizing customer satisfaction, employee development, innovation, growth, and operational efficiency. These elements drive our success and position us as a unified organization delivering exceptional value for money.

Services

➔ Quality Services

Our cab rental services are designed to deliver excellent value for money and a premium travel experience. With well-trained chauffeurs, we offer hassle-free services, and our well-maintained, luxurious, and comfortable vehicles ensure a pleasant journey for tourists. Our diverse fleet caters to various needs and budgets.

➔ Facilities

We have an annual preventive maintenance, washing, and cleaning contract with New Bombay Motors, Kharadi, ensuring top condition for our vehicles. Additionally, we maintain a buffer stock of fuel to meet demands during fuel shortages or strikes. Our team includes over 10 well-trained drivers on payroll, who are regularly briefed on their duties every weekend to ensure high-quality service.

Our Valued Clients

Dedicated Team and Valuable People

At the heart of our service is a highly dedicated team of professionals committed to delivering excellence. Our chauffeurs undergo specialized training to cater to the unique needs of both domestic and international tourists, ensuring each client enjoys a smooth and personalized experience. Their attention to detail, professionalism, and courteous demeanor set us apart in providing top-notch travel services. Whether it's a corporate booking, a city tour, or a long-distance journey, our team ensures every aspect of service is seamless, reliable, and of the highest quality.

Beyond the services we offer, we believe our people are our most valuable asset. Their dedication, passion, and expertise have played a crucial role in building the strong reputation we hold today. We are proud of their unwavering commitment to our mission and vision, and we attribute our success to the collective efforts of this talented workforce. Their drive for continuous improvement and customer satisfaction is what keeps us growing and thriving in the transport industry.
